

GEAR UP FOR A REWARDING CAREER

Join our technician
development program.

WHO WE ARE

Equipment One Company is a regional distributor of Vermeer and Bobcat construction equipment. We deliver equipment, service, and expertise from over 30 locations across Texas and south Louisiana. Thanks to our exceptional team, we are making a positive impact in building and maintaining our local communities.

WHAT WE OFFER

We provide an opportunity to join a high-demand field that offers great earning potential and the chance to work on the most advanced equipment in the industry. Our program offers the chance to get paid while learning the tools of the trade as you earn your associate's degree.

HOW IT WORKS

- 1 ENROLL IN AN ASSOCIATE PROGRAM**
We'll help you become a certified technician while you earn your associate degree in at any of the authorized programs.
- 2 RECEIVE PAID TRAINING**
Get paid for the hours you work learning how to repair equipment from a technician mentor at our branch location.
- 3 GET TUITION REIMBURSEMENT**
We'll reimburse you 50% of our tuition costs each semester you maintain a 3.0 GPA in addition to books and other applicable fees. Plus, stay on 2 years post-graduation and we'll cover an additional 30% of your costs.
- 4 GET HIRED**
Following graduation and successful completion of the internship program, we'll offer you full-time employment as a heavy equipment service technician.
